**Organizational Network Analysis – Survey**
Thank you for considering participation in our Organizational Network Analysis (ONA) survey. This survey is designed to analyze interactions and relationships within the organization, helping to enhance communication, workflow, and collaboration.

This Survey complies with OPSEC requirements. Please don't hesitate to contact the email below with any questions or concerns.

Voluntary Participation: Please note that your participation in this survey is entirely voluntary. You have the option to participate or not, and you may withdraw from the survey at any time without any consequences.

Confidentiality and Use of Data: While this survey is not anonymous due to ONA requiring identifiable information to map connections accurately, we want to assure you that your responses will be treated with the utmost confidentiality.

Data Protection: We are committed to protecting your information and will store your responses securely. Access to the data will be restricted to the research team involved in the ONA study.

Purpose of the Survey: The information you provide will be used solely to analyze and improve organizational structure, communication patterns, and teamwork within the organization. The insights gained from this survey will help identify key areas for improvement and to design interventions that enhance the organizational efficiency and work environment.

Informed Consent: By proceeding with this survey, you acknowledge that you have read and understood this disclaimer, that you are participating voluntarily, and that you consent to use your responses as described above.

Questions: If you have any questions about the survey or how the data will be used, please do not hesitate to contact us at Contact@Project-Nomad.org.
